Zoom Virtual Training

Supervisors of Counselors in
Training or Provisionally
Licensed Professional
Counselors are required to
show evidence of training in
supervision
(20CSR 2095-2021). This
workshop is designed to meet
that requirement.

Learning Objectives

In this workshop you will

- Consider what Ethical Codes and Principles contribute to the practice of supervision
- Get a simple review of state laws as apply to supervision
- Distinguish between administrative and clinical supervision
- Learn models of clinical supervision
- Reflect on current trends in supervision
- Practice skills of clinical supervision
- Consider common and unusual supervision scenarios
- Identify your own challenges in supervision
- Ask Questions and Discuss Supervision

While LPC supervision is the focus of this workshop, it is applicable to social workers, psychologists, and supervisors in other professions. It will be interactive with opportunity to explore questions and experiences from participants' own practice.

Dr. Jef Cornelius-White is Professor of Counseling and former Program Coordinator for Counseling at Missouri State University. He conducted his dissertation on supervision, has published about 100 works, has trained psychologists and counselors for 20 years, and helped design the supervision course at Missouri State University.

Missouri Mental Health Counselor Association (MMHCA) has been approved by NBCC as an Approved Continuing Education Provider, ACEP No. 2059. Programs that do not qualify for NBCC credit are clearly identified. MMHCA is solely responsible for all aspects of the program.

This program offers 6.5 credit hours (6.5 hours).
